

## Grudes Ateljé & Stentryckeri

### Directions to get to the museum

#### By public transportation:

Take the train from Stockholm Central destination Södertälje, get of at Huddinge station, then go to buss stop 709, destination Lissma, and get of at Sundby Gård.

Go in the direction of Sundby Gårds Wårdshus, pass the stables and go down the slope, you will now see the museum to your right.

The museums interesting architectural design is created by architect B. Schröder

#### Alternatively:

You can also take buss 835 and get of at bus stop Gladövägen, the walk from the bus stop to the museum will take about 10 to 15 minuets. This bus stop though is not in close proximity to the train at Huddinge station.

#### By car:

Take county road 226, through the söderledtunnels (söderwaytunnels) towards Huddinge – pass the white church on your left hand side and turn right at county road 259, straight ahead towards Västerhaninge and Gladö Kvarn. Sundby Gård will be seen to your left after approximately 7 km.

Tip! After passing the bridge you are just about there!

**PLEASE CALL FOR OPENING HOURS AND PRICES!**

The museum is handicap adjusted

*Guided tours for schools, groups, companies and businesses will be arranged throughout the year, upon agreement/covenant.*
